

Optional Home Learning Activities with Start

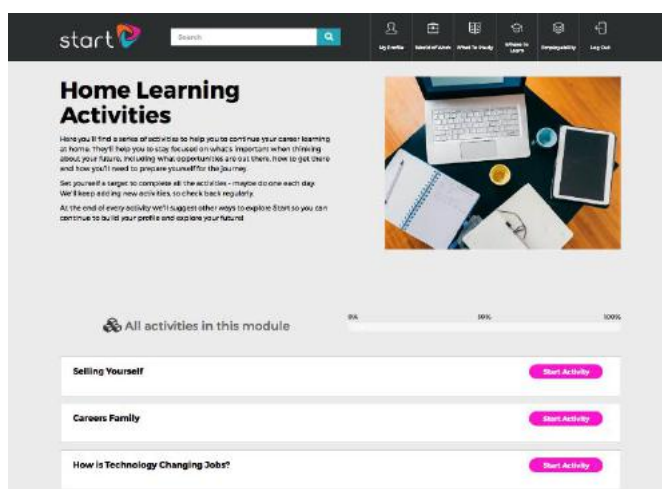

During the school closure, we'd like to remind all students that there is a brilliant resource to help you continue your career learning at home. This is an optional extra that you could do at home.

Careers – Home Learning Activities for Students

Go to: www.startprofile.com/homelearning

These activities will help you to focus on what's important when thinking about your future and they include online and offline activities covering topics such as:

- Selling yourself - the importance of a personal brand
- Learning from the jobs people in your family have done
- Understanding the importance of technology and how it's changing the workplace

Another possible activity:

This website has information about a vast amount of study and career options. You can make these more specific to you individually by updating your interests, strengths, skills etc.

On the left of your profile homepage you'll see some red/green circles.

Click on each one and you'll see several options. You can rate each one.

If you've already done this before, check whether you still agree. It's quite common for you to have changed your mind for some options, and this will open up some new ideas for you as you explore the website.

You'll need to login with your **Start** account to do the activities. If you have any trouble logging in or remembering your username or password, please contact:
