WHERE CAN

DESIGN & TECHNOLOGY

TAKE YOU?

ADVERTISING & MARKETING

Almost 200,000 people work in Advertising & Marketing in the UK. **Jobs increased by a third between 2011 and 2016.**

Career paths: Account manager, market research, social media manager

ART & DESIGN

Over half a million people work as artists, designers, performers, musicians and craftspeople. More than half of artists in the UK have a degree, compared with a quarter of the whole population.

Career paths: Animator, graphic designer, sculptor

CONSTRUCTION

With almost 300,000 businesses trading in construction, this **sector accounts for 7% of all employment in the UK.** That's 2.3 million jobs.

Career paths: Conservation specialist, construction designer

ENGINEERING

The proportion of young engineers has dropped over the last decade. This means there will be a **high demand for younger workers** in the years to come.

Career paths: Design/research/structural engineer

IT & THE INTERNET

People with qualifications in information technology have **one of the highest rates of employment in the UK.**

Career paths: Games developer, network manager, web designer

MANUFACTURING

The manufacturing sector employs around three million people and **accounts for 9% of employment in the UK.** That's a lot of jobs!

Career paths: Manufacturing manager, quality assurance manager

SCIENCE & RESEARCH

Between 2016 and 2023, jobs in science and research will increase at twice the rate of other industries, creating 142,000 new jobs. **One in every six jobs will be in science and research.**

Career paths: Data/modelling scientist, renewable energy researcher
