Admissions Policy 2018/19

Bluecoat Church of England Academy

Bluecoat Academy offers an all through education from age 4 - 19. The Academy is both distinctively Christian and inclusive. It is clear about its Christian ethos whilst welcoming children of other faiths or no faith.

Admission Provision:

Students are admitted at the start of, and during our three main phases:

- Primary Phase - Reception (age 4 -5)
- Secondary Phase - Year 7 (age 11)
- Secondary Phase - Post-16 (age 16+)

Students on roll in the primary phase of the Academy will automatically be allocated a place in the secondary phase.

How to apply:

For admission to primary reception and to secondary Year 7, in the year preceding admission, parents should apply using Local Authorities School Common Application Form. Applicant's seeking a place under Faith or Technology grounds will also need to complete a Bluecoat Academy Supplementary form available from the Academy office or website <http://www.bluecoat.uk.com>

For admission in September 2018, the deadlines for these forms are **15th January 2018 for primary reception** and by **31st October 2017 for secondary Year 7**. *Parents wishing their child to take the Technology aptitude test will need to ensure their supplement form is returned to the Academy before **Monday, 2nd October 2017**.

For in-year admissions, 5-16 please contact the Academy on 0115 9297445 or complete the relevant in-Year application form available from <http://www.bluecoat.uk.com>

For all Post-16 admissions, please contact the Sixth Form at Bluecoat Academy on 0115 9007215 or complete the Post-16 application form online at <http://p16applications.bluecoat.uk.com>

Admission to schools outside the normal year group:

Bluecoat Academy will consider requests for admission outside the normal year group and take account of the circumstances of each case. Requests must be made in writing as a supplement to the application and sent to the Clerk of the Governing Body. All requests to educate a child outside their normal year group must include evidence of the child's circumstances from a relevant professional detailing the child's educational need which makes education outside the normal age group necessary. Parents must consider the impact of a child being educated with children of a different age both within primary school and at transition to secondary school where admissions outside the cohort cannot be guaranteed.

Admission Arrangements for Primary provision (Year R)

Admission:

Bluecoat Academy has a planned admission number of **60** places in Year R (Reception year). Bluecoat Academy will normally admit students to primary education at the beginning of the school year in which they reach the age of 5. Parents have the right to defer admission until the term in which their children become 5 years of age or start school on a part-time basis for a selected period of time or until the point of reaching statutory school age (statutory school age is the term after the child's fifth birthday). The admissions process for the reception year is co-ordinated by Nottingham City Council on behalf of the governing body. All decisions relating to admission applications will be taken by the governing body.

Consideration of applications:

The Academy will consider all applications for places. Where fewer than **60** applications are received, the Academy will offer places to all those who have applied. Students, who have a statement of special educational need or Education, Health and Care plan, naming Bluecoat Academy, will be admitted first. This will reduce the number of places available for other applicants.

Oversubscription criteria for Primary provision

(see notes on page 5 for definitions):

Admission Arrangements for Sixth Form provision (Year 12)

(see notes on page 5 for definitions):

Bluecoat Academy Sixth Form provision has a planned admission number of **300** places in Year 12 of which 100 places will be available for external applicants. The Academy will first accept all students with a statutory right to a place at the Academy through a Statement of Special Educational Needs or Education Health and Care Plan naming Bluecoat Academy.

When the sixth form is undersubscribed all applicants meeting the minimum academic entry requirements will be admitted. They will also be expected to have met the published academic standard for their chosen subjects to be permitted to follow their preferred courses. If not suitably qualified for their preferred courses pupils will be offered alternatives (if available).

Bluecoat Academy will publish specific criteria in relation to minimum entrance requirements for the sixth form and for the range of courses available based upon GCSE grades or other measures of prior attainment. These criteria are the same for internal and external applicants.

They will be published in the Academy's prospectus and website.

In the event of over-subscription, the following criteria, which are listed in order of priority, will be used to allocate places:

- (a) Children in public care and previously looked after children;

- (d) *Other young people. In the event of over-subscription preference will be given to children who live nearest to the Academy using straight line measurement from the main external entrance door of the Aspley Lane campus. In-Year Admissions:

Applications for in-year admissions should be made directly to the Academy. If a place is available and there is no waiting list then a place will be offered to the applicant. If more applications are received than there are places available then applications will be ranked in accordance with the over subscription criteria for the relevant provision. Parents and carers whose application is turned down are entitled to appeal to an independent appeal panel.

*Please note Bluecoat Academy has a planned phased intake for our Primary provision with the first Year R and Year 1 entry in January 2015 and therefore in-year applications for 2018/19 can only be made for Year R to Year 5. This waiting list will operate on the offer day and will be maintained up to 28th August 2016 after which it will cease to operate, thereafter the waiting list will be maintained by the Academy until the end of the autumn term. Names of children will automatically be placed on the waiting list for a place where they have been refused a place and where it is ranked above that secondary school or Academy at which a place has been offered. For in-year applications, where the Academy receives more applications than there are places available, the Academy will maintain a waiting list until the end of the term of which the application was received. Where places become vacant in any year they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

Arrangements for appeals panels:

Where a parent/carer has been refused a place for their child at Bluecoat Academy, they will have the right of appeal to an appeal panel. The appeal panel will be independent of the Academy. The arrangements for appeals will be in line with the School Admission Appeals Code published by the Department for Education.

The determination of the appeal panel will be made in accordance with the School Admission Appeal Code and is binding on all parties. Appeals should be made to the Clerk to the Governing Body, Bluecoat Academy, Aspley Lane, Nottingham, NG8 5GY within 20 school days of the refusal.

Notwithstanding these arrangements, the Secretary of State may direct the school to admit a named student to the Academy on application from any Local Authority. Before doing so the Secretary of State will consult the school.

General:

Late Applications:

The Local Authority and the Academy Trust may be willing to accept applications which are received late but before **5pm on 9th February 2018** for a Year R place and **5pm on 5th January 2018** for a Year 7 place for good reason, for example:

- a family returning from abroad;
- a lone parent/carer who has been ill for some time;
- a family moving into Nottingham City from another area; or
- other exceptional circumstances.

Each case will be treated on its merits. All other late applications that are received after the Nottingham City Council deadline date will be dealt with after the national offer day.

Infant class size (England) regulations 2012:

Infant classes (those where majority of children will reach the age of 5, 6 or 7 during the school year) must not contain more than 30 students with a single teacher. Additional children can only be admitted under limited exceptional circumstances. These children will remain an 'excepted student' for the time they are in an infant class or until class numbers fall back to the current infant class size limit.

Fair access protocol:

The 2009 School Admissions Code required all local authorities to establish in-year fair access protocols to ensure that access to education is secured quickly for children who have no education place, and to ensure that all schools and academies in an area admit their fair share of vulnerable and challenging children and young people. The code requires that all educational settings and academies must participate in their local authority's protocol in order to ensure that unplaced children are offered a place at a suitable educational setting as quickly as possible. This includes admitting children above the published admission number to schools and academies that are already full. Bluecoat Academy will participate fully in the Nottingham City Council's fair access protocol.

Notes:

1. Children in Public Care - A 'looked after child' or a child who was previously looked after but immediately being looked after became subject to an adoption, residence/child arrangements or special guardianship order**. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014).

** An adoption order is an order under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders). A 'residence/child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

2. The term sibling includes a child living in the same household under the care of the same parent(s) or guardians(s) and children not normally resident in the same household but sharing a genetic or adoptive parent.

3. All applicants seeking places under criteria b) or c) within primary provision and b) or d) within secondary provision should give the name and address of your parish priest, minister or equivalent religious leader who will be contacted to confirm the level of your child's/your commitment to your church or religious group. The reference will need the signature of two officers/leaders of the Church/Religious Group. The Academy will send a reference to the named referee only once. Parents should inform the named referee to expect a reference and ensure the referee receives, completes and returns the form to the Academy within the mentioned timeline in order to be considered under the above criteria.

i) An applicant 'at the heart of the church / religious group' would be a frequent worshipper. This might mean one who worships twice a month. To accommodate difficult patterns of work and family relationships account should be taken of week-day worship. The worshipper could be the child for whom application is made or one or both parents. This pattern of frequent worship may be typical of a member of the Church of England or another Christian Church that is a member of Churches Together in England or Evangelical Alliance; however it may differ for members of other faiths where the Religious Leader would provide the guidance relevant to their faith.

ii) An applicant 'attached to the church / religious group' would be a regular but not frequent worshipper, by which is meant (for example) one who usually attends a monthly family or church parade service or is regularly involved in a weekday church activity including an element of worship. This pattern of regular worship may be typical of a member of the Church of England or another Christian Church that is a member of Churches Together in England; however it may differ for members of other faiths where the Religious Leader would provide the guidance relevant to their faith.

4. All applicants seeking a secondary phase places under criteria e) will be required to take a test to assess their aptitude for technology and this will need to be indicated on a Bluecoat Supplement form and returned to the academy by 2nd October 2017. Places will be offered to the highest scoring 33 applicants. Confirmation of the test date will be sent to applicants by 6th October 2017. If you have not received notification of the test date by this date you should telephone the academy directly to seek advice.
