

Bluecoat Wollaton

believe in yourself, in others, in God

15th December 2017

Dear Parents/Carers,

Following my last letter earlier this month I am writing to follow up my promise to outline the different ways that you can stay in touch with us here at Bluecoat Wollaton Academy. It is, and it has always been the case, that we want to form effective partnerships with you.

You can learn about us or stay in touch using:

1. Our **new telephone number 0115 900 7210**. The old number still connects you for now but please make sure that you have the new number saved as this will not be the case forever.
2. Our **new website**. Now operating as a standalone academy, we have updated this to help showcase the vision, values and working life of the school. You can find it at: www.bluecoatwollaton.co.uk
3. Our **new prospectus**. There is a digital version of this on the website which is interactive or available as a PDF document. Should you wish a printed copy, then please contact us at the academy.
4. On **Twitter**. We use this as a regular vehicle for snapshots of academy life each week from across our classrooms and beyond. It allows you to see short details of events and pictures and it is constantly updated. You can find us by searching: @Blue_Wollaton or by clicking the link from the top of our website.
5. On **Facebook**. This is still quite new to us so do be patient, but again this is another method for you to receive short updates and news. You can find us by searching: @bluecoatwollaton or by clicking the link from the top of our website.
6. At our **Parent Council Meetings**. These are run by Mr. Cox (Vice Principal) and details can be found on the website in the 'Parents' section.
7. By ensuring you are registered for **Parent Mail** and **download the Bluecoat Wollaton Parent Mail App**. Please contact the office should you need to register; this allows you to book parents' evening appointments, receive all communications and give trip consent.

Of course the methods listed above are just glimpses of life here at our special and busy academy. Nothing beats talking to us face to face and we always encourage parents to do this. As our website sets out, visits to the academy are always welcome and our students love to show off just how much they are learning each day. Please do not hesitate to contact us should you wish to do so, especially if you have friends with children at primary schools who are thinking about selecting the academy.

Yours faithfully,

Mr. S. Anderson,
Principal
